

Beam County Primary School
Oval Road North, Dagenham, Essex, RM10 9ED.

7th July 2025

Dear Parents/ Carers,

Sensory Beach Day at Beam - Thursday 10th July

We are thrilled to invite you to join us for our Beam Sensory Beach Day on **Thursday 10th July at 1:30pm**, taking place in the Atlantis/ Apollo outdoor area!

This special event has been carefully planned for our pupils in Atlantis, Artemis and Apollo, in order to further explore our theme of the beach, celebrate the end of term, and simply - have lots of fun! Children will be able to explore activities such as paddling pools, sand play, beach-themed crafts, a pretend ice cream truck, and more.

We would love for you to come along and share in the experience with your child. Your presence will help make the day even more meaningful for them. You are welcome to take part in activities, relax with us in the shade, or simply enjoy watching your child engage and play.

Please send your child in wearing normal uniform but provide the following for them to change into or use:

- Comfortable clothes and shoes that can get wet
- A sunhat
- Spare clothes
- Towel in a named bag
- Suncream (please also ensure sun cream is applied before school. We can reapply during the day with your permission)

All activities will be fully supervised by our trained staff, and there will be quieter options available for any children who prefer not to take part in water or sand play.

If you have any questions, specific requirements, please don't hesitate to get in touch. We can't wait to welcome you!

Please complete the form below to advise if you give consent for your child to take part, and let us know if you will be joining us:
