Challenge 2: Christmas Crafts

Make a snowman from recycled materials in your house. Be as creative as you like and use the below photos for inspiration. Keep evidence of your creations!

Empty yoghurt
bottles

Old tin cans

Toilet roll tubes

Re-purposed
plastic bottles

Look around your kitchen and see how many red and green ingredients you can find. Once you have enough, think of a dish you can make with them. Draw your ingredients and your dish in the space below!

UNIVERSITY

Challenge 5: STEM Challenge

You have one minute to come up with as many words you can think of that rhyme with "snowflake". Write your answers in the space below.

Using gummy sweets and cocktail sticks, make Santa's chimney. Use the photo to help you and try build your chimney as tall as possible without it falling over. Remember to keep evidence of your creation, i.e. take a photo!

How many words
could you think of?
