Go 4 Schools Access

Dear Parent/Carer,

As we approach the end of the Autumn term, I am writing to remind you of processes on how to access Go 4 Schools. Go 4 Schools is a platform that we implemented 3 years ago which gives parents access to their children's assessment, behaviour and other important information. It is also the platform that you can access your child's school report.

As part of the registration when your child was enrolled, you supplied the school with an email address. This is your log in address.

First time users:

Visit: www.go4schools.com

Here you will find this page:

Select login in and click on the parent log in option.

This will take you to the page where you will be prompted to enter your email and password. As a first-time user, you need to click on the first-time user tab to generate a password.

Email: office@beam.bardaglea.org.uk, Telephone: 020 8270 4700
beamcountypriaryschool.org

Headteacher: Miss T A Whittington, NPQH, BA (Hons), PGCE
Chair of Governors: Miss S Ekmekci

The screenshot shows a web interface for logging into Go4Schools. At the top, there are three tabs: 'Sign in with GO' (active), 'First-time user?', and 'Forgotten Password?'. Below the tabs, there is instructional text: 'If you haven't logged on to GO 4 Schools before, type your email address and click the "new password" button.' and 'This is the password you may use to log in to GO 4 Schools if your school supports this login method. It is also the password you use to log in to the GO 4 Schools Mobile App if your school uses the Mobile App.' Below this text is a label 'Email address' followed by a text input field. At the bottom of the form is a button labeled 'New password'.

In this field, please input the email which is held on file by the school. This will be the email that you receive all other correspondence from the school. If you are in doubt regarding the email held on file, please liaise with the office.

Once, you have entered this, you should receive an email from Go4 Schools with a link to prompt you to create a password. (Please check junk and spam if this is not received within half an hour.

At this point, you will be prompted to re-enter your password and you will have access to your child's assessment data and behaviour reports. Please note, in cases where a parent has more than one child in the school, the same email address will be used for all children.

Anytime there is an update regarding your child, you will receive an email asking you to log in. Updates include but are not limited to:

- Positive behaviour alerts
- Negative behaviour alerts
- Reports distribution

It is paramount that you have access to Go4Schools so that you can easily monitor your child's attainment and behaviour.

May I take this opportunity to remind you that reports will be issued this week – before end of Tuesday 19th December 2023 in time for Parent Consultation on Thursday 11th of January 2024. Please spend some time perusing through the reports and noting any questions you may want to clarify with the class teacher.

I wish you all a restful and joyous winter break.

Yours sincerely,

Mr L Rusirevi

Assessment Lead
