Dear Parent/Carer,

Government-funded Breakfast Club

We are delighted to share that our school has the opportunity to introduce a new **Government-funded Breakfast Club**, designed to give children a positive start to the school day.

The Breakfast Club will provide children with a healthy breakfast in a welcoming environment before the school day begins. It aims to support children's wellbeing, readiness to learn, and help families by offering accessible childcare at the start of the day.

To help us plan effectively, we would be grateful if you could take a few minutes to complete our short survey. Your responses will help us gauge the level of interest, understand the needs of our families, and ensure we can provide a service that best meets our school community's requirements.

We would be grateful if you could complete this by **Friday 10th July 2026**.

Thank you for taking the time to share your views. Your feedback is invaluable as we prepare for this exciting new opportunity.

Kind regards,
