Dear Parents and Carers,

We are delighted to inform you that your children are settling in to school life. I want to take this opportunity to update you and remind all parents and carers of a few important matters.

**Parking**

Please be considerate when parking near the school. Please avoid parking over driveways or on the zigzag lines, as this poses a safety risk to our children and causes unnecessary inconvenience to our neighbours.

If you live locally, we encourage you to model healthy lifestyle habits by walking to school with your child whenever possible. Not only is this a great way to stay active, but it also helps reduce traffic congestion around the school, keeping everyone safe.

**Home Walkers**

I would also like to remind parents of children in KS1 and KS2 that they have all completed their road safety training. However, if your child is in Year 5 or Year 6 and you have chosen for them to walk home independently, please ensure they are ready for this responsibility. It is important to have a conversation with your child about your expectations for their safety and the importance of going straight home.

**Contacting the school**

Finally, if you need to contact a staff member, please contact the school office at [office@beam.bardaglea.org.uk](mailto:office@beam.bardaglea.org.uk); or phone 020 8270 4700 and a mutually convenient appointment can be made.

**Labelling school uniform**

Please ensure that your child's clothing and trainers are labelled with your child's name so that their property can be returned.

### Curriculum for your child

Curriculum maps for this term are now available on our school website. These maps provide a detailed overview of what your child will be learning, helping you stay informed about their educational journey. To access them, please visit: <https://www.beamcountyprimaryschool.org/learning-and-teaching/year-group-content/> and navigate to the 'Curriculum' section.

Additionally, starting this academic year, teachers will upload weekly Mathematics and English PowerPoint presentations to Google Classroom. These resources will allow you to preview the material before your child encounters it in class and review it afterwards if you want to discuss it with them. We hope this helps you engage with your child's learning.

Children should know their Google Classroom login, if they do not then they should speak to their class teacher. Or you could email the school office at: [office@beam.bardaglea.org.uk](mailto:office@beam.bardaglea.org.uk), FAO (Please put the class teacher's name) and the teacher will contact you.
