

Beam County Primary School
Oval Road North, Dagenham, Essex, RM10 9ED.

30th January 2026

Dear Parents and Carers,

Forest School - Nursery AD

We are delighted to inform you that your child will soon be taking part in **Forest School sessions** at Beam.

Forest School offers children the opportunity to learn and play outdoors through hands-on experiences that encourage curiosity, confidence, independence and a love of the natural world. Sessions are child-led and focus on exploration, problem-solving and building social and physical skills in a safe and supportive woodland environment.

Forest School sessions will begin on **Tuesday 3rd February** and will take place **every Tuesday and Friday thereafter**.

To ensure children are comfortable and able to fully enjoy their time outdoors, the school will provide **waterproof trousers, coats and gloves**. However, children will need to bring:

- **A pair of wellington boots** (if these have not already been provided)
- **Warm underlayers** in cold weather (please have these on already under their uniform)
- **A hat** during colder months

Please note that Forest School takes place outdoors in most weather conditions. **Unless there is a yellow weather warning in place, sessions will go ahead as planned**, so appropriate clothing is essential.

We are very lucky to have such a fantastic outdoor resource within our school grounds and are excited for the children to begin their Forest School journey.

If you have any questions, please do not hesitate to speak to a member of staff.

Thank you for your continued support.

Kind regards,

Miss Bower
