

Beam County Primary School
Oval Road North, Dagenham, Essex, RM10 9ED.

13th March 2024

Dear Parent/Carer,

Online Safety Workshop

We hope this letter finds you well. As part of our ongoing commitment to ensuring the safety and well-being of our students, we are excited to invite you to an important event: Online Safety Workshop.

Date: Tuesday 19th March 2024

Time: 9:00 AM - 10:00 AM

Location: Beam County Primary School

The internet has become an integral part of our lives, providing countless opportunities for learning and connection. However, with these opportunities come risks, especially for our children. It's crucial that we equip ourselves with the knowledge and tools to navigate the online world safely.

To assist us in this endeavour, we are delighted to announce that we will be joined by a special guest who will be conducting the workshop. Our guest speaker is an expert in online safety and will provide invaluable insights and strategies to help you keep your child safe in the digital age.

During the workshop, we will cover various topics including:

- Understanding online risks and challenges
- Tips for monitoring and managing your child's online activities
- Cyberbullying prevention and intervention
- Setting healthy boundaries for screen time

We believe that this workshop presents a great opportunity for you to gain essential knowledge and skills that will benefit both you and your child. By working together, we can create a safer online environment for our entire school community.

Please mark your calendars for Tuesday, March 19th, from 9:00 AM to 10:00 AM, and join us for this important event

Thank you for your commitment to your child's well-being. We look forward to seeing you at the workshop.

Warm regards,

Mr Samuels

ICT Lead
