Oval Road North, Dagenham, Essex, RM10 9ED.

13th January 2026

Dear Parents and Carers,

Reception – London Aquarium/Sea Life

On Monday 2nd February 2026, Reception pupils will be visiting the London Aquarium. The purpose of this visit is to develop the children's knowledge of sea creatures, different habitats, and the promotion of protecting our oceans and seas. This visit links to the geography, science and literacy curriculum that the children will be learning in Spring Term 1.

Children will be required to bring a packed lunch on this day in a carrier bag labelled with your child's name. **Please note, do not send in products containing nuts, chocolate or fizzy drinks, these are not permitted)**

Children are required to wear full school uniform, a warm coat or jacket and comfortable shoes.

We will be travelling by coach and children are required to be in school at 8am as we will be leaving school at 8:30am and returning to school between 3.15-3.30pm. Please note that if your child is LATE they will remain at school.

A contribution of £25 is asked in order to cover the cost, paid via Parentpay. This item will be listed as **London Aquarium 2026** on Parentpay. This is the only experience of a cost for Reception pupils this academic year.

Please complete this link to give consent for your child to attend this visit.

Please note, if we do not receive enough contributions, this experience will need to be cancelled.

We will be needing parent helpers to assist us on this trip. If you are able to support us, please email the school office office@beam.bardaglea.org.uk or speak to your child's class teacher.

Thank you for your support.
