Dear Parents/carers,

Mobile Zoo Visiting Reception

On Thursday 21st March, we have organised for Animal Workshops Mobile Zoo to visit the school for Reception children only, in order to provide an exciting learning experience for the children. The mobile zoo provides children the opportunity to meet many different animals, everything from bugs to bunnies and snakes to skunks! Their hands on, friendly encounters will show children how to handle and care for animals and also provide informative information and facts.

This experience will happen at the school during the school day.

In order for this experience to be provided we are kindly asking for a £5.00 contribution. Please make payment on your Parent Pay account. This item will be listed as **Mobile Zoo 2024** on Parentpay. If we do not receive enough contributions, then the experience will have to be cancelled.

Thank you for your continued support,

K Taylor
