Dear Parent/Carer of \$studentname\$,

Year 1 – Homework Books

Your child has now been given their homework book. This is to support and consolidate their learning in school.

Homework should be completed by your child as independently as possible. They are expected to complete the homework each week. Homework will be handed out each Monday and expected to be returned BY the following Monday (if they finish earlier than this, they can bring it to school and hand in earlier).

We ask the homework is completed in a writing pencil only (no pens or coloured pencils please).

The children are expected to present their work neatly and to treat their homework books with respect

Non completion of homework will be monitored by the class teacher.

If you require any support with helping your child with their homework, please speak with your child's class teacher.

Thank you for support in this matter.

Kind regards,

Year 1 Teachers
