

Beam County Primary School
Oval Road North, Dagenham, Essex, RM10 9ED.

6th November 2025

Dear Parent/Carer

Year 2 - NumBots login details

Today, your child has brought home their **NumBots login details** along with their homework.

To access NumBots, please visit the website at **www.numbots.com** or download the **NumBots app** on your device. When logging in, select '**School → Pupils**', then enter the **school's name** and your child's **login details** as shown on the letter provided.

Your child should begin by completing the tasks in the '**Story**' section. Once they reach the **Iron Level**, they will unlock access to the '**Challenge**' section.

As your child is working to secure their **additive number facts**, please encourage them to practise on NumBots **daily for 5–10 minutes**. Regular practice will help them make steady progress and reach the Challenge stage more quickly.

If you have any questions, please don't hesitate to speak to your child's class teacher.

Thank you for your continued support.

Yours sincerely,

Ms Neale
