Beam County Primary School
Oval Road North, Dagenham, Essex, RM10 9ED.

13th November 2026

Dear Parents and Carers,

Oceans VR Workshop

On **Friday 20th November 2026**, Year 2 will be taking part in an oceanic virtual adventure to learn about sea creatures to support their learning in literacy. This experience will provide children with invaluable knowledge which will support them to create their own report about a sea creature in the coming weeks.

Children will have the opportunity to get close to dolphins, coral reefs, jellyfish and whale sharks in this immersive virtual reality experience! This also aligns with the curriculum for science where children learn about invertebrates and vertebrates, adaptations, classes of animals, life cycles and food webs. With accessible animations, 3D CGI and holograms this is a truly immersive way to learn.

A skilled facilitator will visit our school to lead the session within your child's classroom.

A contribution of **£9.00** is asked in order to cover the cost of the workshop to be paid by 31st January 2025 via Parentpay.

Item will be listed as **Year 2 Oceans VR Workshop** on Parentpay.

Yours sincerely,

Year 2 Team
