Oval Road North, Dagenham, Essex, RM10 9ED.

15<sup>th</sup> November 2024

Dear Parents/Carers,

**Year 2 – Science Workshop**

I am writing to inform you that on Monday, 18th November 2024, Year 2 will be engaging in an exciting educational activity focused on inventions, which will enhance their learning in science. To support this, Science Boffins, a renowned hands-on science organisation, will be leading a Plasma Ball and Playful Polymers Workshop for the children. This interactive session promises to be both enjoyable and educational, offering the pupils a memorable and insightful experience in scientific discovery.

The workshop will take place during the school day, and we kindly request a contribution of £7.50 per child to cover the associated costs. Payments can be made via ParentPay, where this event will be listed as "**Year 2 Science Workshop 2024.**"

Due to the short notice of this event the payment deadline is 31<sup>st</sup> January 2025.

Should you have any questions or require further information, please do not hesitate to contact your child's class teacher.

Thank you for your continued support.

Kind regards

Year 2 Team
