Dear Parent/Carer,

Year 5 ART – ‘Changing Me’

The Year 5 Art topic this term is called 'Changing Me.' Students will be creating a collage about themselves. They will explore moments and possessions that are important in their lives.

Pupils have been asked to think about key moments in their lives and collect objects that reflect special and memorable moments. We have encouraged children to discuss their heritage and cultural influences with their families.

Examples of objects that children may bring include copies of : photographs and certificates or items of clothing. Some key moments we have spoken about in class are: changing schools, moving to a different country, favourite pets, food and hobbies. We have also discussed achievements - academic or extra-curricular activities.

I am aware that some items your child may wish to bring may be of sentimental value however, please be advised that items will be glued, possibly cut and **may not be returned.**

As such, please ensure that you send in copies of sentimental objects, not the original document.

Thank you for your assistance and if you have any questions, please communicate this using your child's planner.

Thank you for your continued support.

Mrs Longworth
