Oval Road North, Dagenham, Essex, RM10 9ED.

15th June 2026

Year 5 Creative Horizons STEM Day

Dear Parents and Carers,

We are delighted to inform you that Year 5 pupils have been invited to attend a Creative Horizons STEM Day at All Saints Catholic School on **Tuesday 23rd June 2026**.

The event will provide children with an exciting opportunity to participate in a range of practical workshops designed to develop their creativity, problem-solving skills and understanding of STEM subjects (Science, Technology, Engineering and Mathematics).

Throughout the day, pupils will take part in activities including:

Chemistry
Clay Modelling
Food Technology
Product Design

Children will work in small groups and rotate between the different sessions, allowing them to experience a variety of subjects and learning environments.

The day will run during normal school hours and pupils will be accompanied by Beam staff throughout the visit.

Children will need to bring a packed lunch with them on the day. If your child is entitled to a free school meal and requires a school-packed lunch, please inform your child's class teacher as soon as possible so that arrangements can be made.

Should you have any questions, please do not hesitate to contact the school.

Yours sincerely,

Lloyd Rusirevi
Assistant Headteacher
